## daily uses

### BATH

*One of the ways essential oils were most often used in the time of Mary.*

- Add 10-15 drops of Mary blend to ½-1 cup of Pink Himalayan or Dead Sea bath salts and mix into your bath; soak 10-20 minutes for best results. If you are feeling lost and alone without a sense of connection to inner guidance and are unsure of where your destiny lies, while soaking say a prayer or affirmation to connect to the source and be open for divine guidance. The Mary bath will detox past separation imprints, allowing awareness of God's love and guidance to take place. For intensive therapy, soak once a day; if you can't do a full bath, do a foot soak instead.
- For a foot bath, add 8-12 drops of Mary blend to ½ cup of Pink Himalayan or Dead Sea bath salts. For best results, soak feet 10-20 minutes.

### MISTING SPRAY

*In Mary's time essential oils and resins were burnt as incense for prayer and offerings. We can use the spray misters to send the essential oils into the air without the smoke.*

- Mix 12-15 drops in a 4 ounce cobalt blue spray bottle of distilled water. Mist around yourself, front and back, when feeling insecure, fearful, and in need of courage to change your life. Think of Mary who kept her faith in God and accepted the opportunity to be the mother of Jesus. Can be used throughout your environment to create a frequency of courage, purity, strength, and absolute faith. Shake well before use.
- Mix 6-8 drops in a 2 ounce cobalt spray bottle to carry with you; mist generously whenever you need extra support at work, or when away from home. May also be shared with a friend or family member in need of Mary's courage and strength to follow her destiny.
- Diffuse 10-15 drops in your water mist diffuser and mist into the environment.

### TOPICAL

*Applying to the head and feet was an important way to use essential oils in Mary's time. Women also were known to apply essential oils to the entire body as a lotion; this was thought to enhance their connection to God and their spiritual life.*

- Apply 1-3 drops to the sole of each foot. A powerful way to instill the courage and faith needed to move forward and do whatever is necessary to fulfill your destiny. This also helps to give energy to the Root Chakra, our center of personal survival.
- Apply 1-2 drops to the Heart Chakra and know that you are not insignificant to God; that you are loved and cared for.
- Apply 1-2 drops to the Crown Chakra, our personal connection point to the divine guidance and protection that we receive from God.
- Add 10-15 drops per ounce of goDésana body lotion and use after your bath to nourish and moisturize the skin while surrounding your body with the spiritual essence of Mary.
